

2. Änderungsverfahren "Sandbachtal - Sesekeaeue"

The map shows the Filderich area with various planning zones. The zones are labeled as follows:

- 1.1.5** (Green area)
- 1.2.28** (Orange area)
- 1.2.29** (Orange area)
- 2.20** (Yellow area)
- 3.2** (Pink area)
- 4** (Purple area)

The map also shows the 'Filderich' river and the 'Im Dielen' area. The map is overlaid with a grid of small squares.

This detailed map illustrates the spatial organization of the Filderstadt area. Key elements include:

- Zoning Designations:**
 - 1.1.5:** A large green-shaded area representing a specific land-use zone.
 - 1.2.28:** An orange-shaded area located near the top left, adjacent to a residential area.
 - 1.2.29:** Another orange-shaded area, situated below 1.2.28.
 - 2.20:** Yellow-shaded areas covering significant portions of the central and right-hand side of the map.
 - 3.2:** Pink-shaded areas primarily along the bottom edge of the map.
 - 4:** Purple-shaded areas located on the far left side.
- Geographical Features:**
 - The **Fildertal** (Filder Valley) runs through the center-right of the map.
 - The **Fildertalbach** (Filder Valley Stream) flows through the valley.
 - Neighboring municipalities are labeled, including **Kornwestheim**, **Filderich**, and **Waldenbuch**.
- Infrastructure:** Roads and railway lines are depicted as thin black lines across the landscape.
