The map displays the town of Holzwickede and its surrounding areas, including Rausingen, Dudenroth, Landweg, Wasserföhr, Hengsen, Bredde, and Brauck. The Emscher river flows through the center of the town. A network of streets is shown, with major roads labeled with numbers like L677, L678, K10, K29, K30, K31, and K32. A blue line indicates a specific route or boundary. Numerous bus stops are marked with green circular icons containing a white 'H'. Houses are marked with blue house icons, color-coded according to their distance from the nearest bus stop. The legend in the top right corner explains this color-coding: light blue for distances less than 100m, medium blue for 100-200m, dark blue for 200-300m, very dark blue for 300-400m, and black for distances greater than 400m. A scale bar shows distances up to 0.5 km, and a north arrow is present. The map also shows various landmarks like 'Friedhof Holzwickede' and 'Friedhof Opherdicke'.
